

*The New Face of Leadership*

29 August 2011

For Immediate Release:

**Northern Virginia-** Succeed to Lead, LLC (STL) was awarded a contract to provide financial, analytical, and business support to the Marine Corps System Command in Quantico, Virginia.

Dr. Byron Cherry, President and CEO of STL, said, "Succeed to Lead has a reputation for providing high level, quality personnel who can perform a wide range of services. With this contract we have multiple financial analysts working hand-in-hand with the MCSC to conduct financial analysis and provide a range of procurement-related services."

In the last year, Succeed to Lead has placed contractors in several government locations such as USSOCOM, MacDill Air Force Base, Tampa, Florida; San Antonio, Texas; and the Commonwealth of Virginia to assist with IT analysis, software management, account management, and project management. This latest contract is a sign of how well Succeed to Lead is positioned to assist organizations solve their IT, financial, and leadership challenges.
